NVM/brainbay has appointed a data processing officer. This person can be reached via fg@nvm.nl.

We take your privacy seriously

The NVM estate agent and NVM/brainbay take your privacy very seriously and see the data protection rules as logical standards of decency. The NVM estate agent processes your data carefully and according to the regulations set out in the legislation. NVM estate agents ensure there is adequate security so that your data is protected against unauthorised use, unauthorised access, modification and unlawful destruction. All NVM estate agents continuously invest in providing a good service. The NVM-wide privacy guidelines form part of this service. If you have any questions, please do not hesitate to contact your NVM estate agent.

View, change or delete data

If you want to find out what personal data is held about you by the NVM estate agent, then please send your request to the estate agent by letter or email. NVM/brainbay does not process names or any other directly identifying data. If you want to know what data is processed by NVM/brainbay, please contact the NVM estate agent who will then ensure that you are informed. Likewise, if you wish your data to be changed or deleted, then please send a letter or email together with reasons to the NVM estate agent. Your request will be met as quickly as possible, unless there are legal obligations to keep the data or if there are (other) compelling reasons preventing your data from being amended or deleted.

How to file a complaint

If you have any questions or if you have a complaint about the way your data is being handled by the NVM estate agent, please contact the NVM estate agent in the first instance. If you do not agree with the NVM estate agent, you can contact the complaints coordinator of the NVM via: klachtencoordinator@nvm.nl. The NVM Data Processing Officer may then also consider the complaint. You also have the right to file a complaint with the Dutch Data Protection Authority.

For how long does the NVM estate agent store the data?

The NVM estate agent will not keep the data longer than necessary. However, some data is kept by the NVM estate agent for a long period of time:

- The NVM estate agent keeps some data regarding the service that was provided for 20 years, because this is the period in which the NVM estate agent can still be held liable for professional errors.
- Any documentation proving that the NVM estate agent carried out the obligatory check in the context of the Money Laundering and Terrorist Financing (Prevention) Act (Wwft) must be kept by the NVM estate agent for 5 years.

- In the context of ongoing supervision based on certified registration data, Kruidenier Recreatie Bedrijfsmakelaardij en Taxaties is required to supply a portfolio of valuations carried out to TEGoVA Netherlands, NRVt and RICS. Use of data by the NVM/brainbay

The NVM estate agent shares certain data with NVM/brainbay via a link. NVM/brainbay is the controller for the data received. The NVM/brainbay uses your data for the following purposes:

- A. To ensure that all NVM estate agents have up-to-date listings of residential properties, commercial premises and agricultural holdings that are listed via NVM estate agents.
- B. To ensure that current listings are published on Funda and other (property) websites.
- C. To create a database that can be used to create valuation reports and other estimates, and to spot trends in the residential housing market, commercial real estate market and agricultural holdings market.

A Current listings of residential properties, commercial premises and agricultural holdings with NVM estate agents

If you wish to sell/let a residential property, (recreation) company / business premises or (exploitation-related) commercial real estate via an NVM estate agent, the following data will be shared with other NVM estate agents:

- The address of the residential property, the commercial premises or the agricultural holdings, the description and characteristics of the property such as the asking price, the year of construction, the surface areas and layout, data held with the Land Registry, municipality-assessed value of the property for the purpose of calculating local property tax and photographs of the property.
- Date when the property came onto the market, date when the property was taken off the market. Sale subject to contract, sale date and transaction price.

This data is used by NVM estate agents for the services they provide to their customers (people who are searching for a residential property, (recreation) company / business premises or (exploitation-related) commercial real estate). This data is stored indefinitely in connection with the database on which historical listings are saved; see under C.

B Current listings of residential properties, commercial properties and agricultural holdings on (property) websites, including Funda

If you wish to sell/let a residential property, (recreation) company / business premises or (exploitation-related) commercial real estate via an NVM estate agent,

after consultation with you, data will also be published on Funda and other (property) websites. This concerns the following data:

- The address of the residential property, the commercial premises or the agricultural holdings, the description and characteristics of the property such as the asking price, the year of construction, the surface areas and layout, data held with the Land Registry, municipality-assessed value of the property for the purpose of calculating local property tax and photographs of the property.
- Date when the property came onto the market, date of sale.

With this data your property is brought to the attention of consumers, professional parties and/or third parties who are carrying out their own searches via (property) websites.

This data can be visible on these websites for a maximum of one year after the date of sale or the date from a residential property, (recreation) company / business premises or (exploitation-related) commercial real estate being taken off the market.

C Database with historical listings

The following data is stored in the NVM database for all residential properties, commercial premises and agricultural holdings that are sold/let via an NVM estate agent:

- The address of the residential property, the commercial premises or the agricultural holdings, the description and characteristics of the property such as the asking price, the year of construction, the surface areas and layout, data held with the Land Registry, municipality-assessed value of the property for the purpose of calculating local property tax and photographs of the property.
- Date when the property came onto the market, date when the property was taken off the market. Sale subject to acceptance, transaction date and transaction price.
- The postcode (1234AB) and house number of the buyer's previous (home) address.

The aforementioned data is stored for an indefinite period.

Brainbay uses the aforementioned data to carry out analyses of the real estate market on behalf of the NVM.

NVM/brainbay also shares this data with selected third parties, namely:

- NVM valuers, for the purpose of carrying out property valuations and other estimates.
- Validation institutes, following a specific request from an NVM valuer, in order to check valuation reports.
- Municipalities, for determining the municipality-assessed value of a property for the purpose of calculating local property tax
- The Ministry of Infrastructure and Public Works, for the purpose of research into the housing market.
- Universities, for research purposes.

- NVM estate agents in the context of the service they provide to their customers.
- Non-NVM estate agents, banks, project developers and housing corporations, for research purposes (e.g. housing requirements in a certain region).

These parties only have access to data for the stated purposes and where possible, data is only provided at an aggregated level.

Internal audits and investigations

The NVM may access your data when it carries out an investigation among its members to check whether the rules are being complied with and when the NVM is auditing a member. After the investigation, these data will no longer be processed by the NVM.

View, change or delete data

If you wish to view, change or delete the data processed by NVM/brainbay, please contact the NVM via privacyhelpdesk@nvm.nl. The NVM will assess the validity of your request and whether your request can be met.
